

MISSION

- To maintain Total Quality Management Systems
- To meet the needs of our customers in the most efficient and professional yet flexible way and bring prosperity to our stakeholders.
- To adopt diversity & equality to attract creative talented people from widest possible recruitment pool and enhance the prosperity of communities in which we operate.

OUR STRENGTH IS IN OUR PEOPLE

COMMITMENT

- Makco is administered by a wide range of written policies, guidelines, contracts and standards of best practice.
- Makco develops and preserves a wide range of Employee benefits, Employee welfare provisions, care policies, and lifestyle policies.
- Our Employees are our greatest asset and Makco values its employee's contributions and adherence to Commitments. The commitment to perform with excellence, deliver on time, and the drive to meet the established goals reflects in our in-house practices as well as in our reputation earned over a span of 60 years.
